Changing Results for Young Readers - Intermediate

Project Goals

1. Establish a district-wide understanding of effective literacy instruction at the intermediate level
2. Reinforce a collaborative model of universal, targeted and intensive interventions for intermediate students who struggle with reading
3. Provide strategies for literacy instruction and intervention to support diverse learners
4. Enhance teachers' capacity to integrate Aboriginal literacy into their practice
5. Enhance capacity to lead literacy learning communities in the school/FOS

Target Audience

Intermediate school teams (coverage for 2 TTOCs provided) comprised of:

- 1 grade 4 or 5 teacher
- 1 grade 6 or 7 teacher
- 1 LAC teacher
- 1 Teacher Librarian
- 1 Administrator
